

# College, Career & Life Planning

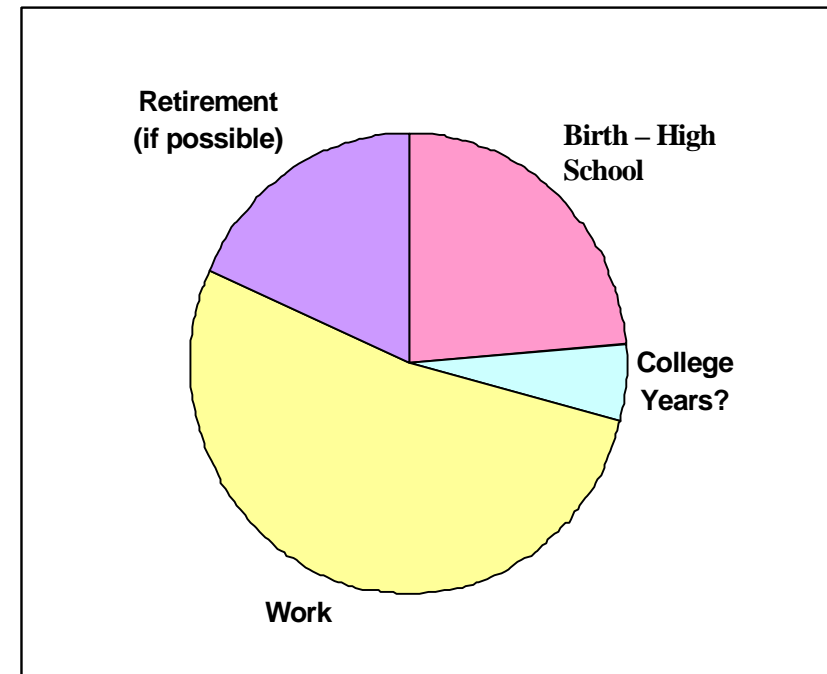

## “Awake” Time Breakdown By Activity For Workers 18 yrs. or Older With Children

Source: Time Use Survey – Bureau of Labor Statistics January, 2005.

## Life Segments (School, Work, Retirement)

### Decisions Made During Your Next Four Years Are Likely to Determine

- Whether you “enjoy” or “endure” the job where you will spend most of your awake hours.
- Whether you build an investment portfolio that allows you to “retire” or work your entire life.
- Your ability to provide for your family (housing, medical, education, etc.)
- Whether you spend your leisure time worried about how to pay for the leaky roof or vacationing in Hawaii.
